BENEFITS

24.1 Benefits and Benefit Improvements.

(a) Benefits are an important tool for attracting and retaining top quality faculty members. The Board and UFF strive to offer competitive benefits.

(b) In the event that the Florida Legislature or State University System of Florida Board of Governors enact legislation or rules that require the BOT to change benefit provisions, the BOT and the UFF will immediately commence negotiations over such changes.

~~(c)~~ The Board and the UFF support legislation to provide adequate and affordable health insurance to all faculty members.
