ARTICLE 2

NEGOTIATIONS

2.01 The parties may agree by mutual written consent to discuss matters not specifically covered by this Agreement, but of concern to the parties. The parties agree to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information, and otherwise constructively considering an attempt to resolve any such matters.

2.02 Consultations. Representatives of the parties will meet upon the written request of either party during the term of the Agreement at a time convenient to all parties for the purpose of reviewing the administration of this Agreement and to resolve problems that may arise. These meetings are not intended to bypass the negotiations or grievance procedures.

2.03 In any negotiations described in this Agreement, neither party shall have any control over the selection of the negotiating representatives of the other party. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the employees in the bargaining unit voting on the Agreement.

2.04 The Board and UFF agree to maintain a philosophy of "collaborative" contract negotiations. These negotiations shall include the following:

A. The formation of a Joint Negotiations Team comprised of the appointed representatives of the Board and UFF, respectively.

B. The Joint Negotiations Team negotiation sessions shall include Board and UFF representatives who serve as Chief Negotiators.

C. Negotiation sessions shall be open discussions of all issues brought forth by either party as subjects of negotiation as agreed in the ground rules provided and agreed to in the parties' initial meeting for consideration by the entire Joint Negotiations Team.

D. Tentative agreement language to be presented for ratification will be the final work product of the Joint Negotiations Team. The Board and UFF will each retain an original copy of the signed tentative agreement language.

2.05 All proposals and counterproposals, introduced by either party with the intent to amend the Agreement, shall be reduced to writing.

2.06 Any cost incurred during negotiations will be shared equally by the Board and UFF. Copies of this "Collective Bargaining Agreement" between the Joint Employer and UFF shall be printed at the expense of the Joint Employer within sixty (60) days after ratification. The Joint Employer shall be responsible for the distribution of the Agreement to employees and, in addition, shall furnish 25 copies to the UFF for its use.

ARTICLE 3

MANAGEMENT RIGHTS

3.01 FSUS and FSU retain and reserve all rights, powers, and authority vested in them, including the right to plan, manage, and control Florida State University Schools (FSUS). FSUS retains and reserves in all respects the right to plan, manage and control the day to day operations of Florida State University Schools (FSUS), and all related ordinary and customary functions of management in carrying out said day to day operations.

3.02 All such rights, powers and authorities are retained by FSU and FSUS, subject to the limitations imposed by this Agreement. Only violations of such limitations shall be subject to the Grievance Procedure set forth in this Agreement.

3.03 UFF and the Joint Employer recognize that Florida State University Schools (FSUS) is a developmental research school authorized pursuant to Section 1002.32, Florida Statutes, and a charter school as authorized by Section 1002.33, Florida Statutes, with FSU serving as Florida State University Schools (FSUS)'s sponsor pursuant to Section 1002.33(5) (a) 2. As such, Florida State University Schools (FSUS) has unique responsibilities, characteristics and mission objectives as set forth by the Legislature and Charter Agreement.

ARTICLE 4

NO-STRIKE CLAUSE

4.01 UFF agrees and affirms that it will not participate in or encourage members of the bargaining unit to strike against the Joint Employers for the duration of this Agreement.

ARTICLE 5

GRIEVANCE PROCEDURE

5.01 Informal Resolution. The parties agree that all problems should be resolved, whenever possible, before the filing of a grievance but within the time limits for filing grievances stated elsewhere in this Article. The parties encourage open communications between administrators and employees so that use of the grievance procedure will not normally be necessary. The parties further encourage the informal resolution of grievances whenever possible. At each step of the grievance process, the participants are encouraged to pursue appropriate methods of dispute resolution. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The procedures set forth herein shall be the sole and exclusive method for resolving the grievances of employees.

5.02 Definitions.

A. "Grievance" shall mean a dispute filed on a form attached hereto as Appendix B) involving the interpretation or application of a provision(s) of this Agreement, or involving whether an action to discipline an employee or dismiss an employee who is a member of the bargaining unit was taken for just cause. All grievances are to be filed on a form as provided in this Agreement and attached hereto as Appendix B.

B. "Grievant" shall mean any employee, or group of employees, who have filed a grievance or UFF to the extent that the action for which a grievance is filed relates to a provision of the Agreement which specifically confers independent rights to UFF.

C. "Day" shall mean consecutive days, including weekends and holidays. If the last day for an action to occur falls on a weekend or state-recognized holiday, the action shall be due on the following work day.

D. "Grievance Forms". Each grievance, request for review, and notice of arbitration must be submitted in writing on the appropriate form and signed by the grievant(s). All grievance forms shall be dated and date stamped when received. The grievance forms may be filed in person, certified U.S. mail, return receipt requested, or other recognized means of delivery.

5.03 Resort to Other Procedures.

A. It is the intent of the parties to first provide a reasonable opportunity for resolution of a matter that constitutes a grievance through the grievance procedure. If prior to seeking resolution of a dispute by filing a grievance hereunder, or while a grievance is being processed, an employee formally initiates resolution of the matter in any other forum, whether administrative or judicial, the Joint Employer shall have no obligation to proceed further with the matter pursuant to this grievance procedure.

B. As an exception to the provisions of paragraph 5.03(A) above, a grievant may file an Equal Employment Opportunity Commission (EEOC) charge while the grievance is in progress when

such filing becomes necessary to meet federal filing deadlines pursuant to 42 U.S.C., s.2000e et seq. Furthermore, an employee may seek resolution of a dispute through informal resolution prior to filing a grievance and may request an extension of the time limits for initial filing of the grievance for this purpose. The grant of any such extension of time must be in writing.

5.04 Representation and Appearances.

A. An employee shall choose at Step 1 and Step 2 to represent him/herself or to be represented by a UFF Representative. UFF shall not be required to process grievances for employees who are not its members. An employee may also choose to be represented by an attorney who is licensed to practice law in Florida by The Florida Bar.

1. UFF shall not be bound by a grievance decision in a grievance in which the grievant chooses not to be represented by UFF.

2. The resolution of any grievance as defined herein shall not be inconsistent with the provisions of this Agreement. At any meeting at which the grievant's attendance is sought or necessary, UFF shall have the right to be present at any such meeting.

B. When a grievant participates during working hours in a grievance meeting between the grievant and the Principal or Director, or in an arbitration proceeding, the grievant shall be provided temporary duty for such meeting/proceeding after providing the Principal or Director with a written request for temporary duty at least two (2) business days prior to such meeting or proceeding. The request shall be approved unless the grievant's absence on the requested date would impede the operations of the grievant's work unit, in which case an extension shall be granted, if necessary, to accommodate the grievance timelines.

C. When a grievant is represented by UFF, the UFF grievance representative shall be provided temporary duty to represent the grievant at any grievance meeting held during regular work hours, including the right to speak and present evidence and arguments on behalf of the grievant. The UFF grievance representative shall provide the Principal or Director with a written request for temporary duty at least two (2) business days prior to such meeting. The request shall be approved unless the representative's absence on the requested date would impede the operations of the UFF representative's work unit, in which case an extension shall be granted, if necessary, to accommodate the grievance timelines. UFF shall be limited to one representative to assist the employee.

D. Time spent by grievant and UFF representatives investigating and processing grievances shall not be counted as time worked.

5.05 Burden of Proof. In all grievances, except disciplinary grievances, the burden of proof shall be on the employee. In disciplinary proceedings, the burden of proof shall be on the Joint Employer. The standard of proof in all matters shall be established by a preponderance of the evidence.

5.06 Formal Grievance Procedure.

A. If the parties are unable or unwilling to resolve a grievable concern or problem through the informal process described in Section 5.01 above, a formal grievance may be filed under this Section.

B. Time Limits.

1. The time limits provided in this Article shall be observed but may be extended by written agreement of the parties. Whenever illness or other incapacity of a party necessary to hear the grievance prevents his/her presence at a grievance meeting, the time limits shall be extended to such time that the party can be present. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Principal or Director shall use his/her best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

2. Upon failure of management to provide a decision within the time limits provided in this Article, the grievant where appropriate, or UFF where appropriate, may proceed to the next step. Upon failure of the grievant, where appropriate, to file at the next step within the time limits provided, the grievance shall be deemed to have been resolved by the decision at the prior step.

3. Upon written agreement of the parties, any step in this procedure may be waived.

4. A grievant may withdraw his/her grievance at any step but that same grievance may not be filed a second time unless the grievance is of a continuous nature and is otherwise timely and appropriately filed.

C. STEP 1. Submission of Grievance to Principal. A grievance shall be filed with the employee's principal on the Step I grievance form (see Appendix B) within thirty (30) days following the occurrence of the alleged violation of the Agreement, or the date on which the employee knew or reasonably should have known of the occurrence if that date is later. The grievance shall state the facts giving rise to the alleged violation, the specific section of the Agreement alleged to have been violated, the employee's contention with respect to these provisions, the specific relief sought, and shall be signed by the grievant. Within fifteen (15) days after receiving the grievance, the principal shall schedule a time to meet with the grievant and his/her representative. Within fifteen (15) days after this meeting, the principal shall communicate his/her decision in writing to the grievant and the grievant's representative.

D. STEP 2. Submission of Grievance to Director. If the grievant is not satisfied with the decision at Step 1, he/she may, within fifteen (15) days following receipt of the Step 1 decision or following the date on which the Step 1 decision was due if no decision is provided, file a written request for review of the Step 1 decision with the Director or his/her designee on the appropriate form (see Appendix B). The Director or his/her designee may meet with the grievant and/or representative and may conduct whatever investigation is necessary to make a decision. Within fifteen (15) days of the receipt of the grievance at Step 2, the Director or his/her designee shall communicate his/her Step 2 written decision to the grievant and/or representative or otherwise resolve the grievance.

E. STEP 3. Arbitration.

1. Mediation. The parties may, by written agreement, submit a grievance to mediation to be conducted by the Federal Mediation and Conciliation Service (FMCS) prior to being submitted to arbitration. When the parties agree to mediate an issue, the time limits to file for arbitration shall automatically be extended for the period necessary to conclude the mediation process.

2. Filing.

a. If the grievance has not been satisfactorily resolved at Step 2, the UFF may, within fifteen (15) days following receipt of the Step 2 decision or following the date on which the Step 2 decision was due if no decision is provided, file an intent to submit the grievance to arbitration with the Director or his/her designee on the form provided in Appendix B.

b. A grievance filed at Step 3 on which no action has been taken by the UFF for fifteen (15) days shall be deemed withdrawn and resolved in accordance with the decision issued at the prior step.

3. Disclosure of Information. Neither the Principal or Director nor the UFF shall be permitted to assert in an arbitration proceeding any grounds or issues not previously disclosed in writing at least five (5) days prior to the commencement of the arbitration proceeding.

4. Selection of Arbitrator. The parties shall follow the American Arbitration Association procedure for selection of an arbitrator and shall conduct the arbitration under its rules and procedures except as modified by the provisions of this Agreement. The date for the arbitration hearing shall be scheduled within fifteen (15) days following selection of the arbitrator. The arbitration hearing shall be held within sixty (60) days after the selection of the arbitrator.

5. Authority of the Arbitrator.

a. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement or substitute his/her judgment for that of management. Arbitration shall be confined to the application and interpretation of this Agreement and the precise issue(s) submitted for arbitration. The arbitrator shall refrain from issuing statements of opinion or conclusions not essential to the determination of the issues submitted.

b. In rendering decisions, an arbitrator shall give due regard to the responsibilities of the Principal and/or the Director and their designees as provided in law and rule, and shall so construe such responsibilities, except as they may be specifically conditioned by this Agreement.

c. The arbitrator's decision shall be final and binding on the parties as provided in Section 447.401, Florida Statutes, provided that either party may ask an appropriate court to vacate such a decision on one or more of the grounds stated in Section 682.13, Florida Statutes.

d. An arbitrator's award may be retroactive as the equities of a case may demand, but an award shall not be retroactive to a date earlier than fifteen (15) days prior to the date the grievance was initially filed.

6. Fees and Expenses. The fees and expenses of the arbitrator shall be the responsibility of the party that does not prevail in the arbitration proceeding and the issue of who is the prevailing party shall be an issue submitted for arbitration. A party desiring a transcript of the arbitration proceedings shall provide written notice to the other party at least five (5) days prior to the date of the arbitration and shall be responsible for scheduling a stenotype reporter to record the proceedings. The parties shall share equally the appearance fee of the reporter and the cost of obtaining an original transcript. The requesting party shall, at its expense, provide a photocopy of the transcript to the other party within five (5) workdays after receiving a copy of the transcript from the reporter.

F. Processing. The Principal or Director will respond to all grievances filed. Grievances may be denied if not filed in accordance with this Article.

5.07 Precedent. No complaint informally resolved, or grievance resolved at either Steps 1 or 2, shall constitute a precedent for any purpose unless agreed to in writing by the Director and UFF.

5.08 Documents. The grievant or his/her representative shall be provided, upon written request, with a copy of any identifiable document relevant to the grievance and will be charged a reasonable cost for such materials. All written materials dealing with the processing of a grievance shall be filed separately from the grievant's personnel file, except an arbitration decision or a settlement agreement that requires personnel action(s) that affect the grievant may be filed with the grievant's personnel file.

5.09 Notwithstanding the expiration of this Agreement, any claim or grievance arising while it was in effect may be processed through the grievance procedure until resolution, provided it is timely filed.

5.10 Reprisal. The Principal or Director shall not engage in reprisal, coercion, or discrimination against a grievant, witness, grievance representative, or any other participant in the complaint or grievance procedure by reason of such participation.

5.11 Grievance Against the Director. Any grievance filed against the Director shall follow the process set forth in this article, except that Step 1, submission of grievance to the principal, will not occur, and the grievance shall be submitted directly to the Director in accordance with time frames established in Step 1.

ARTICLE 6

PROFESSIONAL ASSIGNMENTS AND WORKING CONDITIONS

6.01 Employee Workday and Workweek.

A. Employee Workday.

1. Except as may be otherwise provided, the employee workday begins thirty (30) minutes prior to the start of school for students. The beginning and ending of school is the decision of FSUS and will be made to accommodate operating needs. The normal workday for employees shall be eight (8) consecutive hours.

2. The workday shall include:

a. Lunch Period. Employees shall have a duty-free lunch period equal to the student lunch period. For employees who volunteer or who are assigned to serve lunch duty, duty-free time equal to the duty-free lunch period shall be granted. Every effort shall be made to provide the equal duty-free time immediately before or immediately after the lunch duties. On planning days, the lunch period shall be one (1) hour.

b. Planning/Preparation Period.

1. Middle and high school employees shall be provided with at least two (2) fifty (50) minute planning periods during each workday. Elementary school employees shall be provided with at least seven (7) hours of planning time during each workweek. Principals shall make reasonable efforts, consistent with staffing and program needs, to provide such elementary school employees with at least forty (40) consecutive minutes of planning time during the workday. The Director or Principal may temporarily alter or adjust planning periods to address unforeseen emergency situations that may arise from time to time.

B. Employee Workweek. The normal workweek shall not exceed five (5) consecutive working days, Monday through Friday, in a seven (7) day week or a total of forty (40) hours during that workweek, and those professional duties as prescribed in Section 6.02. This shall in no way prohibit assigning employees to nonconsecutive work hours if agreed to by the employee and the Principal or Director.

6.02 Employee Assignments.

A. General.

1. All professional duties shall be assigned to employees by the Principal or Director in a fair and equitable manner.

2. The Principal or Director or his/her designee shall provide employees on a regular basis through daily announcements and monthly school calendars with information regarding scheduled school events or other events of professional interest. Such information shall not constitute assignment of the employee to perform additional duties. The Principal or Director is able to assign and schedule duties or activities as the need arises.

B. Assignments Within the Normal Workday.

1. Employee activity/duty assignments within the workday shall be determined by the Principal or Director.

2. Employees shall be given the opportunity to have input into developing their teaching schedules. The decision on the work schedule belongs, however, to the Principal or Director.

3. Every effort shall be made to give all employees notice of their assignments for the forthcoming semester as soon as possible. Reasonable efforts shall be made to provide assignments at the beginning of the school year in writing no later than the beginning of the preplanning period; such writing may be in the form of a duty roster or schedule. Reasonable efforts shall be made to make all other assignments in writing two weeks in advance of the scheduled duty. Assignments may be made later than these dates due to unforeseen circumstances.

4. Assignments may be revised as needed.

C. Assignments Beyond the Normal Workday and Workweek.

1. No employee shall be required to stay beyond the normal workday or to participate in activities outside the normal workweek without being assigned a specific professional duty. Professional duties may include school level assignments such as job-related meetings, committees, conferences, Parent Teacher Student Association (PTSA) meetings, supervisory assignments, and other duties as determined by the Principal or Director.

2. These assignments shall not be used to assign employees to professional duties for which compensation is provided by supplement or extra pay for extra duty.

3. Extracurricular Activities. Employee participation in extracurricular activities after the workday for which compensation is not provided shall be strictly voluntary.

6.03 In-Service Activities.

A. In-service activities are designed to improve the professional growth of all employees. In-service attendance shall be voluntary unless it is:

- Mandated by the State or Federal Government;
- Required by the Principal or Director to meet a need for professional growth as documented in the Individual Professional Development Plan, the School Improvement Plan, or in other appropriate documents.

6.04 Compensatory Time. Compensatory time shall be granted when the following provisions are met:

A. Earning of Compensatory Time.

1. Compensatory time shall be earned only for duties assigned specifically in advance by the Principal or Director beyond the contractual teaching day as required or essential to the stated objectives of a course or program.

2. Compensatory time shall not be accrued and available for use until the assignment for which the time is provided has been completed.

3. The nature of employee assignments beyond the normal workday, for which compensatory time will be granted, shall be determined by the Principal or Director. Assignments may be revised as needed.

4. Compensatory time shall not be earned for activities for which additional compensation is provided (e.g., supplements for coaching or cheerleading) or for those that are ordinarily encompassed within an employee's responsibilities as a salaried professional such as faculty meetings, parent-teacher organization meetings and activities, and school open houses.

B. Use of Compensatory Time.

1. Previously earned compensatory time may only be used with the prior written approval of the Principal or Director on planning days, including pre- and post-planning nonstudent days, and at the end of the regular school day after student hours or at such other times as would not require a substitute. The Principal or Director shall make a reasonable effort to allow employees to use compensatory time during the school year.

2. All unused compensatory time will lapse at the end of the annual employee contract year or upon the resignation of the employee.

3. No monetary reimbursement shall be awarded for compensatory time.

6.05 Faculty Meetings. Faculty meetings, attendance at which may be required, may be called at the discretion of the Principal or Director.

6.06 Rules and Policies.

A. Except as may be otherwise provided, employees shall comply with rules and policies adopted by the Board of Florida State University Schools, Inc. and shall perform all duties assigned by their Principal or Director. If a rule or policy expressly and directly conflicts with an article of this Agreement, this Agreement shall control.

B. Rules or policies adopted, prescribed, or formulated by the Board of Florida State University Schools, Inc. shall be made available to employees through the school website.

6.07 Health and Safety.

A. Management shall provide, in all appropriate classrooms, safety equipment and materials required by state standards.

B. The Principal or Director shall make his/her buildings and grounds as safe as possible and shall be responsible for enforcing all state statutes, and rules adopted by the Board. Any employee whose physical safety is threatened, either orally or in writing, shall report the occurrence in writing to the Principal or Director within twenty-four (24) hours of such threat. The Principal or Director shall take appropriate action.

C. Employees shall promptly report potentially unsafe facility conditions in the classroom or other school facility to their Principal or Director. The Principal or Director will promptly investigate and attempt to have corrected conditions that he/she determines to be hazardous or potentially dangerous.

D. Employees shall not be required to perform tasks that would endanger their health or safety. In an emergency, employees shall take necessary action to provide for the safety of themselves and their students and, as soon as possible, advise the Principal or Director of the situation.

E. Employees shall promptly report suspicious circumstances to the Principal or Director for prompt investigation and appropriate response.

6.08 Classroom Observations. Observations of an employee's class by persons other than school personnel shall be allowed, as the school is created by state statute as a laboratory school and a charter school. As such, the locations at which students receive instruction are not only classrooms, but laboratories that seek the advancement of learning. Observations may occur at any time. However, best efforts shall be used to notify the affected employees in advance of any observations. Observations of an employee's class by persons other than school personnel shall be allowed only after consent has been granted by the Principal or Director.

6.09 Employees will be expected to exercise reasonable control, under the direction of the Principal or Director, of textbooks, supplies, or equipment assigned to them.

6.10 Teachers shall have a minimum of two (2) working days at the end of each grading period to submit grades. The final grading period of the year shall be excluded from the above provision. Except as provided herein, grades will be due when announced by the Principal or Director.

6.11 A student's IEP/Accommodation Plan shall be taken into consideration in making decisions regarding placement of a student with a disability into a classroom. The Principal or Director shall make a reasonable effort, consistent with staffing and program needs, to accommodate any significant increase in an employee's workload occasioned by the preparation of IEPs or AIPs.

ARTICLE 7

CLASS SIZE - CLASS LOAD - TEACHING PERIODS

7.01 The Principal or Director, consistent with considerations of scheduling, curriculum, and student needs and preferences, shall work to balance the load between employees teaching identical courses. Class size shall not be used as a punitive measure against an employee.

7.02 Any employee whose assignment consists primarily of student instruction shall not be required to teach an instructional supervisory load that consists of more than five (5) fifty (50) minute periods of pupil-teacher contact time. An employee shall not have more than three (3) different course preparations. Supervised study periods (study halls) or other supervisory assignments shall be considered a part of the instructional supervisory load except where such assignments constitute the majority of the employee's assigned duties.

7.03 Elementary art, music, foreign language and physical education employees shall not be required to teach more than six (6) instructional periods per day.

7.04 All elementary instructional employees shall have no more than twenty-eight (28) clock hours of pupil contact teaching assignments per week, not including individual student conferences that may be scheduled by the employee during relief periods.

7.05 When an employee has a concern regarding section 7.02, the employee shall communicate in writing the concern to the Principal. Upon request, the Principal and employee shall meet to discuss the concern and, if appropriate, explore alternative solutions. If the concerns of the employee are not addressed to his/her satisfaction, the employee may request in writing a meeting with the Director; the employee may also request that a UFF representative be present at the meeting. The meeting shall be scheduled within five (5) days of the written request. The Director will forward the decision to the employee within five (5) days of the meeting.

7.06 Notwithstanding any other provision of this Agreement, Employees may agree to be assigned to teach more than five (5) contact hours. However, the Joint Employer will not require an employee to teach more than five (5) contact hours. (the supplement listed in Appendix F as "supplements for FSUS" will be excluded from this calculation.)

8.04 Audio-visual equipment shall be available in each school for classroom use.

ARTICLE 9

EMPLOYEE AUTHORITY AND PROTECTION

9.01 Employee Discipline.

A. No employee shall be disciplined without just cause. Disciplinary sanctions shall be limited to the following: oral reprimand, written reprimand, suspension without pay and termination.

B. If disciplinary action in the form of a termination or suspension without pay is to be taken against an employee, the Principal or Director shall give the employee a reasonable opportunity to meet to review the information on which the discipline is to be based and allow the employee an opportunity to provide written or oral information addressing the proposed action.

C. Discipline administered by a Principal or Director as set forth in Paragraph A above shall be subject to the grievance process as set forth in Article 5. If a grievance decision is rendered against the employee, the employee shall have an opportunity to respond in writing to any record that appears in the personnel file.

D. An employee may request that a UFF representative be present during any disciplinary investigation meeting at which the employee is being questioned relative to alleged misconduct of the employee. Upon such a request being made, such meeting shall be delayed for up to twenty four (24) hours to allow the employee to attain such representation.

9.02 Classroom Discipline and Control. The Principal or Director agrees to give support and assistance to employees with respect to control and discipline in the classroom. The Principal or Director additionally agrees to provide a written statement governing the use of punishment of students to all employees not later than the first week of each school year. In keeping with those guidelines, an employee may impose customary classroom discipline where necessary. Customary classroom discipline does not include corporal punishment, which will not be permitted. Employees may use such force as is necessary in protection from attack or to prevent injury to another student or employees.

9.03 Zero Tolerance. Florida State University Schools (FSUS) is committed to a policy of zero tolerance on matters of student misbehavior, acts of violence or threatened acts of violence; and assault and battery on school personnel. It is recognized that it is the employee's responsibility to pursue the prosecution of perpetrators of such acts.

9.04 Assaults on Employees - Reporting Crimes of Violence. Any case of assault on an employee shall be promptly reported to the Principal or Director or his/her designee.

9.05 Removal of Students from the Classroom.

A. An administrator or a designated person shall be in the building at all times when students are present to handle discipline problems and emergencies. An employee may:

1. Send a student to the Principal's office, or his/her designee, to maintain effective discipline in the classroom. The Principal shall respond by employing appropriate discipline-management techniques consistent with the student code of conduct under Section 1006.07, F.S.

2. Have disobedient, disrespectful, violent, abusive, uncontrollable, or disruptive students temporarily removed from the classroom for behavior management intervention.

3. Have violent, abusive, uncontrollable, or disruptive students directed for information or assistance from appropriate resources, as deemed appropriate, after consultation with the Principal.

4. Remove a student from class (see paragraph 5 below for provisions relevant to ESE students) whose behavior the employee determines is so unruly, disruptive, uncontrollable, or abusive that it seriously interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn. If an employee has such a student removed from class, the Principal or Director may place the student in another appropriate classroom, in in-school suspension, or in an alternative education program as provided by Section 1003.53, F.S., or the Principal or Director may recommend the student for out-of-school suspension or expulsion, as appropriate. The student may be prohibited from attending or participating in school-sponsored or school-related activities. The Principal or Director, or his/her designee, may not return the student to that employee's class without the employee's consent unless the committee, established under Section 1003.32, F.S. (see provisions stated below), determines that such placement is the best or only available alternative. The employee and the Placement Review Committee must render decisions within five (5) days of the removal of the student from the classroom.

a. The provisions of Section 1003.32(6), F.S., providing for a Placement Review Committee are as follows: Each school shall establish a committee to determine placement of a student when a teacher withholds consent to the return of a student to the teacher's class. Committee membership must include at least the following:

- Two teachers, one selected by the school's faculty and one selected by the teacher who removed the student; and

- One member from the school's staff who is selected by the Principal.

The teacher who withheld consent to readmitting the student may not serve on the committee.

b. The teacher and the Placement Review Committee must render decisions within five (5) days of the removal of the student from the classroom. If the Placement Review Committee's decision is contrary to the decision of the teacher to withhold consent to the return of the removed student to the teacher's class, the teacher may appeal the committee's decision to the Director.

5. Have an ESE student removed from class for behavior that is so unruly, disruptive, or abusive that it seriously interferes with the employee's ability to communicate upon compliance with the provisions of State Board Rule 6A-6.0331 addressing ESE students.

B. An employee who removes twenty-five percent (25%) or more of his/her total class enrollment shall be required to complete professional development to improve classroom management skills.

9.06 The individual records maintained by the school administration on student discipline shall be available to designated employees as an aid for determining disciplinary recommendations concerning the students. These records shall contain infractions with dates and action taken.

9.07 Personnel File

A. Derogatory material as reasonably determined by management relating to work performance or other matters that may be cause for discipline that are to be placed in an employee's personnel file are to be provided to the employee by personal delivery or mail. B. Employees may review and copy, on an annual basis without charge, the materials in their personnel file under conditions necessary to provide for its integrity and safekeeping.

9.08 Defense and Indemnity. If in the lawful performance of his/her prescribed duties an employee is complained against or sued, as a result of any action taken by him/her, the Joint Employer agrees to exercise its obligation to defend and indemnify the employee as required by law and to the extent the Division of Risk Management of the State of Florida determines it is obligated to provide such defense or indemnity.

ARTICLE 10

NONDISCRIMINATION

10.01 Statement of Intent: The Joint Employer and UFF fully support all laws intended to protect and safeguard the rights and opportunities of each employee to work in an environment free from any form of discrimination or harassment. The parties recognize the obligations under federal and state law prohibiting discrimination. The parties acknowledge that personnel decisions shall be based solely on job-related criteria and performance.

ARTICLE 11

EMPLOYEE EVALUATION

11.01 The parties recognize that the evaluation of the performance of all employees is the responsibility of the administration, and that the evaluation process is designed to improve the quality of service performed by the employees and is not designed to be used as a punitive measure. The parties further recognize the importance and value of a procedure for assisting and evaluating the progress and success of both newly employed and experienced personnel. The parties agree the following guidelines should be used to accomplish these goals with employees.

A. During preplanning, or at commencement of employment, all employees will be provided a copy of the evaluation criteria and the form(s) to be used, or made aware that this information can be located at the Florida State University Schools (FSUS) website. An explanation and discussion of the evaluation process shall accompany this distribution.

B. Selection of the appropriate employee assessment instrument shall be the responsibility of the Principal or Director. The selection of the instrument and process for use with employees shall be made after consultation with UFF. The instrument selected may be changed by the Principal or Director only during the first semester of the school year, with advance notice and the reasons therefore provided to the affected employee(s).

C. UFF asserts that it has agreed to the provisions of this Article with great reluctance, and believes that the following terms may hinder the educational process. However, UFF recognizes that state law requires it to negotiate certain provisions to be compliant with state law. FSUS asserts that it fully intends to comply with state law in managing and overseeing the day-to-day operations, functions and management responsibilities of the school, and that FSUS intends for this section, and the entire Collective Bargaining Agreement, to comply with state law. To the extent there is a conflict or ambiguity between state law and this Agreement, the requirements of state law will control.

D. It is acknowledged that the current employee assessment instrument is based on the Florida model of the Performance Evaluation System which is grounded in the work of Robert Marzano and aligned with the Florida Educator Accomplished Practices (FEAPs – revised as of December 17, 2010). A copy of this assessment instrument is attached as Appendix E to this Agreement. It is further acknowledged that, to the extent there is a conflict or ambiguity between the attached assessment instrument and this Collective Bargaining Agreement, the Collective Bargaining Agreement will control and govern. Accordingly, the parties have agreed that the following language, clarifying in nature, will control and govern:

E. The following operational definitions are provided:

1. Stakeholders: Administrators and Teachers.
2. Professional Learning Partner (“PLP”): Teacher peers serving in the role of peer review and feedback;

3. State Assessments: Any standardized state approved assessment for a given subject;
4. District Assessments: A district created and/or approved assessment for a given subject across the district in a given subject area;
5. Value-Added State model: Formula developed by the state to measure student learning growth;
6. Three years of data: Current year plus two immediately preceding years;
7. Teacher Evaluation System ("TES"): The term for the overall evaluation of an FSUS teacher;
8. Learning Targets: Locally agreed upon goals for measurement of student progress;
9. Unsatisfactory Performance: The final Summative Teacher Evaluation Score that will correspond to the following:

Once both a Student Growth score and an Instructional Practice score have been determined, it is necessary to combine these scores into a final Summative Teacher Evaluation Score and Rating. Unless otherwise indicated by availability of data as outlined previously, both the Student Growth and Instructional Practice scores will each count for 50% of the final Summative Teacher Evaluation Score.

Weighting and combining each of the Student Growth and Instructional Practices scores will be accomplished by converting each score to a percentage, multiplying by the appropriate weighting factor (usually 50%), adding the scores and multiplying by 100. This will give a final Summative Teacher Evaluation Score that will then correspond to the following scale ranges:

HIGHLY EFFECTIVE	EFFECTIVE	NEEDS IMPROVEMENT or DEVELOPING	UNSATISFACTORY
88 - 100	63 - 87	38 - 62	0 - 37

(Also see Proficiency Scale, Appendix E, FSUS TES)

F. Additional Provisions:

1. Teachers in Category III or who are rated Highly Effective may elect to not have a Peer Reviewer.

2. Survey forms seeking parental input or feedback will be made available on the Teacher Evaluation System page of the FSUS Blackboard site.

3. Only the Student Growth portion of teacher evaluations may be amended after receipt of Assessment data.

4. Certain subject areas, such as the yearbook, newspaper and media, will have special criteria developed by which to evaluate teachers in those subject areas for the Value-Added portion of the teacher evaluation.

5. No layoff decisions will be made until all results from the appropriate state assessments or district assessments have been included in the Student Growth portion of a teacher's Summative Evaluation Score and Rating.

6. A teacher shall not be requested nor required to sign a blank or incomplete evaluation form. A teacher's signature on the form merely acknowledges receipt of the document and not necessarily agreement with its content.

7. Whenever a teacher is required to appear before the Principal or Director for the express purpose of discussing matters that question the teacher's professional or instructional competency, the teacher and the SC/TA shall be given no less than 24 hours written notice of the purpose of such meeting or interview and shall be entitled to have a representative of his/her choice present to represent him/her during such meeting or interview.

G. Appeal Process if Dissatisfied with Evaluation:

1. Any employee who disagrees with the evaluation may appeal through the Grievance Procedure as outlined in Article 5.

2. Upon written agreement of the parties an expedited arbitration procedure, in accordance with the procedures of the American Arbitration Association, shall be used.

ARTICLE 12

VACANCIES, REASSIGNMENTS and NON-REAPPOINTMENT

12.01 Notice of all bargaining unit vacancies for positions expected to continue for at least eight (8) consecutive weeks shall be posted in an accessible location and shall provide a minimum of seven (7) days to allow for receiving applications. The filling of posted vacancies shall not take place until the application deadline has passed.

12.02 The Principal or Director may reassign bargaining unit employees within Florida State University Schools (FSUS) when he or she determines it is in the best interest of Florida State University Schools (FSUS), provided, however, that any decision to reassign a bargaining unit employee shall take into consideration the qualifications of such employee and applicable certification requirements. When the Principal or Director determines that such a reassignment is necessary, the Principal or Director, as appropriate, shall meet with the affected employee to discuss the reassignment.

12.03 Any employee who is reassigned to an administrative or supervisory position within Florida State University Schools (FSUS) and later returns to employment within the unit shall receive experience credit on the salary schedule for each year of administrative or supervisory experience.

12.04 The Joint Employer retains the ability to fill a vacancy in the bargaining unit on a temporary or emergency basis. The filling of such vacancy on an emergency or temporary basis may not exceed one year except in extraordinary circumstances, and in no event shall exceed two (2) years. Employees hired on a temporary or emergency basis must subsequently seek employment through FSUS's regular hiring process.

12.05 Non-reappointment: The Joint Employer shall use its best efforts to notify, in writing, the bargaining unit employee of the decision to not reappoint that employee for the subsequent year by May 15th.

ARTICLE 13

LAYOFF AND RECALL

13.01

A. Layoff. When a layoff is to occur as a result of adverse financial circumstances; reallocation of resources; reorganization of degree or curriculum offerings or requirements; reorganization of academic or administrative structures, programs, or functions; or curtailment or abolition of one or more programs or functions, FSUS shall notify UFF no less than thirty (30) days prior to taking such action. UFF may request a consultation with the Director or his or her representatives to discuss the layoff.

B. Layoff Unit. The layoff unit may be at an organizational level of Florida State University Schools (FSUS), or other level of organization as the Board or the Director deems appropriate.

13.02 Layoff Considerations. The selection of employees in the layoff unit to be laid off will be determined as follows:

A. No continuing status employee shall be laid off if there are non-continuing status employees in the layoff unit.

B. No employee in a non-continuing status position in the layoff unit with more than five (5) years of continuous university service shall be laid off if there are any such employees with five (5) years or less of service.

C. The sole instance in which only one (1) employee will constitute a layoff unit is when the functions that the employee performs constitute an area, program, or other level of organization at Florida State University Schools (FSUS).

D. The provisions of 13.02 (A.) and 13.02 (B.) will apply unless the Board or Director determines that an Affirmative Action employment program will be adversely affected. When an Affirmative Action Program has been so affected, the Board or university shall notify UFF in writing.

E. Where employees are equally qualified under (A.) or (B.) above, those employees will be retained who, in the judgment of the Board or the Director, will best contribute to the mission and purpose of Florida State University Schools (FSUS). In making such judgment, the Board or the Director shall carefully consider employees' length of continuous service, and shall take into account other appropriate factors, including but not limited to performance evaluation by students, peers, and supervisors, and the employee's academic training, professional reputation, teaching effectiveness, research record or quality of the creative activity in which the employee may be engaged, and service to the profession, community, and public.

F. No continuing status employee shall be laid off solely for the purpose of creating a vacancy to be filled by an administrator entering the bargaining unit.

G. FSUS shall notify UFF in writing regarding the use of adjunct and other non-unit faculty in those departments/units where employees have been laid off. The use of adjunct and other non-unit faculty in departments/units where employees have been laid off may be the subject of consultation meetings.

13.03 Alternative/Equivalent Employment. The Director and Board shall make a reasonable effort to locate appropriate alternate or equivalent employment for laid off employees, within Florida State University Schools (FSUS), and to make known the results of the effort to the person affected.

13.04 Notice. Employees should be informed of layoff as soon as practicable and, where circumstances permit, employees with three (3) or more years of continuous service should be provided at least one (1) year's notice; those with less service with at least six (6) months' notice. Employees who have received notice of layoff shall be afforded the recall rights granted under Sections 13.03 and 13.05. Formal written notice of layoff is to be sent by certified mail, return receipt requested, or delivered in person to the employee with written documentation of receipt obtained. The notice shall include effective date of layoff; reason for layoff; reason for shortened period of notification, if applicable; a statement of recall rights; a statement of appeal/grievance rights and applicable deadlines for filing; a statement that the employee will receive the Florida State University Schools (FSUS) Vacancy Listing until the recall period ends or re-employment offer is refused; and a statement that the employee is eligible for consideration for retraining for a period of two (2) years following layoff. FSUS may, at its discretion, provide opportunities for retraining when it is in Florida State University Schools (FSUS)'s best interest. Such opportunities may be provided to employees who are laid off, to those who are reassigned, or in other appropriate circumstances. The retraining opportunities may include enrollment in tuition-free courses.

13.05 Re-employment/Recall.

A. For a period of two (2) years following layoff or for employees appointed to a fixed multiyear appointment, not to exceed the length of their last employment contract, not to exceed two (2) years, an employee who has been laid off and who is not otherwise employed in an equivalent full-time position shall be offered re-employment in the same or similar position at Florida State University Schools (FSUS) at which previously employed at the time of layoff, should an opportunity for such re-employment arise. All persons on the recall list shall regularly be sent the Florida State University Schools (FSUS) position vacancy announcements, as appropriate. For this purpose, it shall be the employee's responsibility to keep FSUS advised of the employee's current address. Any offer of re-employment pursuant to this section must be accepted within fifteen (15) days after the date of the offer, such acceptance to take effect not later than the beginning of the semester immediately following the date the offer was made. In the event such offer of re-employment is not accepted, the employee shall receive no further consideration pursuant to this Article. Employees appointed to a fixed multi-year appointment, who are recalled, shall be offered re-employment not to exceed the length of their last employment contract. FSUS shall notify UFF when an offer of re-employment is issued.

B. An employee who held a continuing status appointment on the date of termination by reason of layoff shall resume the continuing status appointment upon recall.

C. The employee shall receive the same credit for years of service for purposes of layoff as held on the date of layoff.

D. Employee Assistance Programs. Consistent with the University's Employee Assistance Program, employees participating in an employee assistance program who receive a notice of layoff may continue to participate in that program for a period of ninety (90) days following the layoff.

13.06 Limitations. The provisions of Section 13.02 through 13.05 of this Agreement shall not apply to the following:

A. Employees who are on "soft money," e.g., contracts and grants, sponsored research funds, and grants and donations trust funds, who had five (5) or more years of continuous service as of June 30, 1991;

B. Employees who are on "soft money," e.g., contracts and grants, sponsored research funds, and grants and donations trust funds.

ARTICLE 14

When an emergency or threatened emergency confronts the schools, notification of the closing of schools will be released for broadcast over local radio and TV stations as soon as possible. Such closings will be only for the period it takes to restore normal working conditions. All scheduled employees' workdays so affected: 1) shall be rescheduled by the Director as soon as possible if required by the State of Florida Department of Education; or 2) may be rescheduled by the Director as soon as possible.

15.02 Employees shall have academic freedom. Academic freedom shall mean that employees have freedom of association and expression in keeping with their individual conscience. Such presentation shall be within the guidelines of appropriate course content and within the instructional program and shall present all facts of controversial issues in a scholarly and objective manner.

15.03 Employees shall be entitled to freedom of discussion within the classroom in all matters which are relevant to the subject matter under study.

15.04 All employees shall consult with the Principal or Director whenever the employee intends to inject into course coverage units material which might reasonably be anticipated to be controversial. Upon request, the employee shall meet with his/her immediate supervisor to discuss the proposed unit of study and how it fits into the course content.

ARTICLE 16

POLITICAL ACTIVITY

16.01 All employees shall be entirely free from political domination or coercion, or the pretended necessity of making political contributions of money, or other things of value, or engaging in any political work or activity against their wishes under the assumption that failure to do so will in any way affect their status as employees of the Joint Employer. Employees may not engage in any political activity during work hours.

A. The parties agree that employees shall be paid during the 2014-2015 fiscal year in accordance with the step pay plan for fiscal year 2014-2015 as agreed to by the parties. 2. Florida State University Schools (FSUS) Employee Salary Schedule Increases. The parties have negotiated a salary schedule for all bargaining unit employees as set forth in Appendix D. This salary schedule shall be used for purposes of determining the salaries of new Florida State University Schools (FSUS) employees at the time of their initial appointment and to determine the salaries of all other Florida State University Schools (FSUS) employees who are members of the collective bargaining unit. Each existing employee whose current pay is below the new salary schedule level to which he or she is assigned shall receive a salary adjustment to the new amount as set forth in Appendix D. For 2014-2015, each existing employee will receive a minimum salary increase of \$1,200 plus any additions to base for which they are eligible. The schedule attached as Appendix D takes into consideration a number of factors, including, but not limited to:

- a. the Florida State University Schools (FSUS) faculty rank structure;
- b. years of service;
- c. attainment of an advanced degree;
- d. fulfillment of professional goals and professional advancement; and
- e. local market factors.

17.02 Eligibility for Annual Salary Increases. Bargaining unit employees whose most recent annual evaluation rating is effective or highly effective and who are in pay status are eligible for the increases described in Appendix D.

17.03 Effective Dates for Salary Increases. Salary for Florida State University Schools (FSUS) bargaining unit members shall be effective retroactive to the beginning of the employee's 2014-2015 contract. 17.04 Grievability. The only issues to be addressed in a grievance filed pursuant to Article 5 alleging violation of this Article are whether there is unlawful discrimination under Article 10, or whether there is an arbitrary and capricious application of the provisions of one or more sections of this Article.

17.08 Employees are to be given credit for previous experience according to the following plan:

Credit shall also be given for teaching in a U.S. government sponsored military base school, upon a determination by the Principal or Director that such schools have the equivalent of state or regional accreditation. Credit shall also be provided for holding a valid teaching certificate while teaching in an accredited prekindergarten program. The affected employee shall be responsible for providing the Principal or Director with the necessary documentation of such experience and the determination of the Principal or Director shall be final. To receive experience credit for the upcoming semester, such documentation must be submitted to and received by the Principal or Director or his/her designee prior to the start of the semester for which the employee seeks to receive credit for educational experience. An employee may submit a written request for waiver of paragraph 17.08 (A.). The waiver must reflect that reasonable efforts were made to comply with paragraph 17.08 (A.) and the failure to provide the information in a timely manner was not attributable to the employee. The Director has discretion to grant or deny the written waiver request.

B. Credit for one (1) years' experience is to be given for a major portion of a year's work (i.e., ½ year plus one day). Out-of-state and Florida experience which occur during the same school year shall be combined. If a major portion of a year is unable to be determined from verification received from the previous employer, working at least 97 days at the previous place of employment will entitle the employee to be credited with one year experience.

C. Part-time employees will receive credit for one year's experience when working over fifty percent (50%) of the hours required for full-time employees (including sick leave); however, only one (1) year of service may be earned during one school year. 3. Private school experience credit for out-of-state schools which are accredited and where the employee's experience was in their area(s) of appropriate certification will be provided.

4. Credit as authorized above will be provided on a year- for-year basis.

17.09 For employees hired before July 1, 2011 adjustments to higher salary levels shall be made only upon the receipt of an official transcript signifying the award of the advanced degree from an institution of higher education that has Southern Association of Colleges and Schools, Western Association of Schools and Colleges, Northwestern Association of Schools and Colleges, North Central Association of Schools and Colleges, New England Association of Schools and Colleges, or Middle States Association of Colleges and Schools accreditation, or the verification of appropriate experience. Salary adjustments associated with the receipt of such an official transcript or written verification of appropriate experience shall be effective at the start of the next semester following receipt of the transcript or other written verification.

17.12 Teachers hired after July 1, 2011: The parties acknowledge and recognize that Chapter law 2011-1, which passed the 2011 Florida Legislature as Senate Bill 736, imposes certain legal requirements on the parties. It is the parties' intent to comply with Florida law, and new teachers hired after July 1, 2011 are subject to the provisions of Chapter law 2011-1, which are not restated herein, but to which the parties agree to be incorporated into this Agreement. The parties further agree that to the extent that a final judicial determination affects the validity of provisions of Chapter law 2011-1, this Agreement shall be interpreted consistent with that determination.

ARTICLE 18

The SAC shall have bylaws that provide for those affected by school level decisions to have a significant opportunity to influence those decisions.

C. Faculty Council. The Joint Employer and the UFF recognize the value of involving employees in decisions that affect Florida State University Schools (FSUS). To that end, the Joint Employer and the UFF agree to establish an Elementary Faculty Council, a Middle School Faculty Council and a High School Faculty Council, which together shall be known as the Faculty Council. PROMOTION

26.01 Policy. Promotion decisions are not merely the totaling of an employee's annual performance evaluations. Rather, the Joint Employer, through its faculty, its professional employees, and administrators assesses the full-time employee's potential for growth, positive impact upon Florida State University Schools (FSUS) and its students, scholarly contribution, and meritorious performance. In reviewing criteria for promotion, it is expected that achievements shall be greater and more significant with each rank for which promotion is sought. In order to be considered for promotion, the teacher must provide sufficient evidence to satisfy each criterion listed below.

26.02 Notification of Eligibility for Promotion: Faculty will be advised by the Principal or Director, at least once a year, to collect data to support application for promotion. New faculty will be advised of the need to collect data to support application for promotion. Areas in which data should be collected are those related to the mission of the school and include teaching effectiveness, research, development projects and creative accomplishment, dissemination, and service.

26.03 Procedures. Each faculty member shall be apprised by the appropriate Principal or Director of general expectations in terms of teaching effectiveness, including execution of teaching responsibilities and other duties as assigned, research and creativity, dissemination, and service; and specifically of other requirements and/or duties involved. promotion is possible in cases in which sufficient justification is presented, and the Promotion Committee has recommended early promotion. However, consideration for promotion shall normally occur after five (5) years of service. Candidates applying before their fifth (5th) year of service shall be considered early promotion candidates.

28.02 Return from Leave. An employee who returns from an approved leave of absence with or without pay shall be returned to the same classification, unless the Joint Employer and the employee agree in writing to other terms and conditions. The return from FMLA leave shall be in accordance with 28.06.

28.03 Accrual During Leave with Pay. An employee shall accrue normal leave credits while on compensated leave in full-pay status, or while participating in the sabbatical program. If an employee is on compensated leave in less than full-pay status for other than sabbaticals, the employee shall accrue leave in proportion to the pay status.

28.04 Continuing Status Credit During Periods of Leave. Semester(s) during which an employee is on compensated or uncompensated leave shall not be creditable for the purpose of determining eligibility for continuing status, except by mutual agreement of the employee and the Joint Employer. In deciding whether to credit such leave toward continuing status eligibility or permanent status, the Joint Employer shall consider the duration of the leave, the relevance of the employee's activities while on such leave to the employee's professional development and to the employee's field of employment, the benefits, if any, which accrue to the Joint Employer by virtue of placing the employee on such leave, and other appropriate factors.

28.05 Holidays.

A. An employee shall be entitled to observe all official holidays designated in accordance with Section 110.117, Florida Statutes. No classes shall be scheduled on holidays. Classes not held because of a holiday shall not be rescheduled.

C. If an employee who has performed duties on a holiday terminates employment prior to being given time off, the employee shall be paid, upon termination, for the holiday hours worked within the previous twelve (12) month period.

28.06 Family and Medical Leave Act (FMLA) Entitlements.

A. The Family and Medical Leave Act of 1993 ("FMLA") is the common name for the Federal law providing eligible employees an entitlement of up twelve (12) work weeks or four hundred-eighty (480) hours of continuous or intermittent leave without pay for qualified family or medical reasons during a one-year period. This Act entitles the employee to take leave without pay; where the Joint Employer policies permit, employees may use accrued leave with pay during any qualifying family or medical leave. The failure to list, define, or specify any particular provision or portion of the FMLA in this Agreement shall in no way constitute a waiver of any of the rights or benefits conferred to the employer or the employee through the FMLA.

B. Implementation of FMLA Leave Entitlements.

1. An employee, whether salaried or paid from Other Personal Services (OPS), is entitled to twelve (12) work weeks of FMLA leave within a twelve (12) month period for any qualifying family or medical leave.

2. Pursuant to Florida Administrative Code 6C 2-4.0015(13), a salaried employee is entitled to a parental leave for up to six (6) months in accordance with the provisions of Section 28.07, for a birth or adoption of the employee's child. If an eligible employee elects to take Parental Leave, up to twelve (12) work weeks of such leave may be counted against that employee's FMLA entitlement.

C. Accounting for the Use of FMLA Leave in a Twelve-Month Period.

1. A rolling twelve (12) month period is used to count the twelve (12) work weeks referred to in (B) 1 above.

c. An eligible employee's entitlement to leave for a birth or placement for adoption or foster care expires at the end of a twelve (12) month period beginning on the date of the birth or placement of the child.

D. Use and Approval of FMLA Leave.

1. The Joint Employer shall approve FMLA leave for an eligible employee as long as the reasons for the absence qualify under the FMLA and the employee has not exhausted the twelve

(12) work weeks within the appropriate 12-month period for such leave. The employee may request FMLA leave as accrued leave, leave without pay, or a combination of both.

2. The Joint Employer may require that the employee use accrued leave with pay prior to requesting leave without pay for four hundred and eighty (480) hours (12 workweeks) of FMLA leave. Requiring the use of paid leave shall be applied consistently and may not be used merely to exhaust the employee's leave balance in order to prohibit the use of paid leave while on leave without pay as provided for in Section 28.11 (e).

3. After the Joint Employer has acquired knowledge that the leave is being taken for an FMLA required reason, the Joint Employer or its representatives shall within two business days, absent extenuating circumstances, notify the employee of the period of FMLA leave to be granted, including the date of return to employment. If the notice is oral, it shall be confirmed in writing no later than the following payday (unless the payday is less than one week after the oral notice, in which case the notice must be no later than the subsequent payday).

E. Medical Certification.

1. The Joint Employer may require an employee to provide medical certification from a health care provider for FMLA leave without pay when taken for the serious health condition of the employee or the employee's family member.

2. Medical certification may be required to affirm the employee's ability to return to work and perform one or more of the essential functions of the job within the meaning of the Americans with Disabilities Act (ADA), after being absent on FMLA leave.

F. Return to Position. Upon return from FMLA leave, the employee shall be returned to the same or equivalent position in the same class and work location, including the same shift or equivalent schedule, unless Joint Employer and the employee agree in writing to other conditions and terms under which such leave is to be granted.

G. Continuation of Benefits. The use of FMLA leave by eligible employees shall neither enhance nor decrease any rights or benefits normally accrued to salaried employees during a leave with pay or any rights or benefits normally accrued during a leave without pay.

H. If any provision of Section 28.06 (FMLA) is inconsistent with or in contravention of the Family Medical Leave Act of 1993, Public Law 103-3, or the Family and Medical Leave Act Regulations, 29 CFR Part 825, or any subsequently enacted legislation, then such provision shall be superseded by the laws or regulations referenced above, except to the extent that the collective bargaining agreement or any employee benefit program or plan provides greater family or medical leave rights to an eligible employee.

28.07 Parental Leave.

A. An employee shall be granted parental leave not to exceed six (6) months when the employee becomes a biological parent or a child is placed in the employee's home pending adoption;

foster care is not covered under parental leave but is provided through the FMLA provisions in accordance with Section 28.06.

B. If an employee plans to use a combination of accrued leave and leave without pay, such request shall include the specific periods for each type of leave requested. Use of accrued leave during an approved period of leave without pay shall be in accordance with Sections 28.11.

C. The period of parental leave shall begin no more than two (2) weeks before the expected date of the child's arrival.

1. The Joint Employer or its representatives shall acknowledge to the employee in writing the period of leave to be granted, that such leave counts against the employee's unused FMLA entitlements in accordance with Section 28.06 of this Agreement, and the date of return to employment.

2. At the end of the approved parental leave and at the employee's request, the Joint Employer or its representatives shall grant part-time leave without pay for a period not to exceed one (1) year, unless the Joint Employer or its representatives determine that granting such leave would be inconsistent with the best interests of the Joint Employer.

3. Any illness caused or contributed to by pregnancy shall be treated as a temporary disability and the employee shall be allowed to use accrued sick leave credits when such temporary disability is certified by a health care provider.

D. Upon agreement between the employee and the Joint Employer, intermittent FMLA leave or a reduced work schedule may be approved for the birth of the employee's child or placement of a child with the employee for adoption in accordance with Section 28.06.

28.08 Leaves Due to Illness/Injury. Illness/Injury is defined as any physical or mental impairment of health, including such an impairment proximately resulting from pregnancy, which does not allow an employee to fully and properly perform the duties of the employee's position. When an employee's illness/injury may be covered by the Americans with Disabilities Act, the provisions of Public Law 101-336 shall apply.

A. Sick Leave.

1. Accrual of Sick Leave.

a. A full-time employee shall accrue four (4) hours of sick leave for each biweekly pay period, or the number of hours that are directly proportionate to the number of days worked during less than a full-pay period, without limitation as to the total number of hours that may be accrued.

b. A part-time employee shall accrue sick leave at a rate directly proportionate to the percent of time employed.

c. An employee appointed under Other Personal Services (OPS) shall not accrue sick leave.

2. Uses of Sick Leave.

a. Sick leave shall be accrued before being taken, provided that an employee who participates in a sick leave pool shall not be prohibited from using sick leave otherwise available to the employee through the sick leave pool.

b. Sick leave shall be authorized for the following:

1. The employee's personal illness or exposure to a contagious disease which would endanger others.

2. The employee's personal appointments with a health care provider.

3. The illness or injury of a member of the employee's immediate family, at the discretion of the supervisor. Approval of requests for use of reasonable amounts of sick leave for caring for a member of the employee's immediate family shall not be unreasonably withheld. "Immediate family" means the spouse and the grandparents, parents, brothers, sisters, children, and grandchildren of both the employee and the spouse, and dependents living in the household.

4. The death of a member of the employee's immediate family, at the discretion of the supervisor. Approval of requests for use of reasonable amounts of sick leave for the death of a member of the employee's immediate family shall not be unreasonably withheld.

c. A continuous period of sick leave commences with the first day of absence and includes all subsequent days until the employee returns to work. For this purpose, Saturdays, Sundays, and official holidays observed by the State shall not be counted unless the employee is scheduled to perform services on such days. During any seven (7) day period, the maximum number of days of sick leave charged against any employee shall be five (5).

d. An employee who requires the use of sick leave should notify the supervisor as soon as practicable.

e. An employee who becomes eligible for the use of sick leave while on approved annual leave shall, upon notifying the supervisor, substitute the use of accrued sick leave to cover such circumstances.

3. Certification. If an employee's request for absence or absence exceeds four (4) consecutive days, or if a pattern of absence is documented, the Joint Employer may require an employee to furnish certification issued by an attending health care provider of the medical reasons necessitating the absence and/or the employee's ability to return to work. If the medical certification furnished by the employee is not acceptable, the employee may be required to submit to a medical examination by a health care provider who is not a Joint Employer staff member which shall be paid for by the Joint Employer. If the medical certification indicates that the employee is unable to perform assigned duties,

the Joint Employer or its representatives may place the employee on compulsory leave under the conditions set forth in Section 28.08(C).

4. Transfer of Credits.

a. Upon re-employment by the Joint Employer within 100 days, the full balance of accrued sick leave shall accompany the employee unless the employee has received a lump sum payment for accrued sick leave. If an employee has received such a lump sum payment, the employee may elect in writing, upon re-employment, to restore the employee's accrued sick leave. Such restoration will be effective upon repayment of the full lump sum leave payment.

b. When an employee moves from a position in a governmental entity within Florida to a leave-accruing position within the Joint Employer, all unused sick leave accrued in the classification and pay plan in which previously employed and for which payment has not been received may accompany the employee; however, no more than ninety (90) days may elapse between jobs.

c. When an employee moves to a position within a governmental entity within Florida the transfer of unused sick leave shall be governed by the rules of the plan to which the employee is transferring.

d. The transfer of unused sick leave from an SUS university or a governmental entity within Florida to a Joint Employer position is permitted if a reciprocal agreement between the hiring department within the Joint Employer and the prospective employee and previous employing entity has been reached. Reciprocal agreements may be obtained on a case-by-case basis and may apply to all or part of an accrued leave balance.

5. Payment for Unused Sick Leave.

a. An employee with less than ten (10) years of state service who separates from state government shall not be paid for any unused sick leave.

b.
