21.1 Professional Meetings. Faculty members should be encouraged to and may, with the approval of the supervisor, attend professional meetings, conferences, and activities. Subject to the availability of funds, the faculty member’s expenses in connection with such meetings, conferences, or activities shall be reimbursed in accordance with the applicable provisions of state law and rules and regulations having the force and effect of law.

21.2 Office Space. Each faculty member shall be provided with office space which may be on a shared basis. The parties recognize the desirability of providing each faculty member with enclosed office space with a door lock, office equipment commensurate with assigned responsibilities, and ready access to the Interneta-telephone. Each faculty member shall, consistent with building security, have reasonable access to the faculty member’s office space and laboratories, studios, music rooms, and the like used in connection with assigned responsibilities; this provision may require that campus security provide access on an individual basis. Before a faculty member’s office location is changed, or before there is a substantial alteration to a faculty member’s office to a degree that impedes the faculty member’s work effectiveness, the affected faculty member shall be notified, if practicable, at least one (1) month prior to such change.

21.3 Safe Conditions. Faculty members’ safety while performing their jobs is important.
(a) Whenever a faculty member reports a condition which the faculty member feels represents a violation of safety or health rules and regulations or which is an unreasonable hazard to persons or property, such conditions shall be promptly investigated. The appropriate administrator shall reply to the concern, in writing, if the faculty member’s concern is communicated in writing.

(b) Campus buildings shall be regularly inspected to ensure the safety of students, faculty, and staff.

(1)
Air handling units shall be equipped with ~~the highest rated compatible manufacturers’~~ recommended filters that will be replaced according to manufacturers’ directions.

(2) Buildings shall be inspected for radon according to best practices. Faculty shall be notified as soon as practicable and appropriate ~~remediation-action~~ taken if ~~the reading levels fallsare~~ above the EPA Radon Action Level.

19 the scope of Section 768.28, Florida Statutes, the faculty member should notify the President's
20 office as soon as possible after receipt of the summons commencing the action in order that the
21 Board may fulfill its obligation. Failure to notify the employer promptly may affect the rights of
22 the parties.

23 (b) For information purposes, the following pertinent language of Section 768.28(9), Florida
24 Statutes, is reproduced herein.

25 No officer, employee, or agent of the state or of any of its subdivisions shall be held personally
26 liable in tort or named as a party defendant in any action for any injury or damage suffered as a
27 result of any act, event, or omission of action in the scope of her or his employment or function,
28 unless such officer, employee, or agent acted in bad faith or with malicious purpose or in a manner
29 exhibiting wanton and willful disregard of human rights, safety, or property.

30 21.5 Travel Advances. The University will, to the extent permitted by state law and rule, provide
31 travel advances, upon request, of up to eighty (80) percent of budgeted expenses for authorized
32 travel of longer than five (5) consecutive days.

33 21.6 Working Papers Rights. Consistent with law, the provisions of Article 18, and the legitimate
34 interests of the University, faculty members shall have the right to control of their personal
35 correspondence, notes, raw data, and other working papers.
